School Reopening

A New Beginning

The corridors of The Shri Ram Universal School truly sparkled on the 8th, coming alive with the joyful energy of our youngest learners.

Seeing them take those first brave steps into their classrooms was a deeply moving experience for all of us. Whether you were a parent watching your child bloom, or a teacher witnessing the magic of a new beginning, it is a privilege to stand together as a community.

We are honored to hold this space for them, nurturing their curiosity and wonder as we embark on this beautiful, magical journey of discovery together.

World Environment Day

Van Mahotsav Week

From June 15th to 19th, our school observed Van Mahotsav Week to cultivate environmental awareness and responsibility among students. Through activities like nature walks, leaf printing, educational films, and a lake visit, students explored local ecosystems.

The week concluded with an inspiring "pet a plant" presentation, encouraging personal responsibility and a lifelong commitment to preserving our planet's future.

By engaging directly with nature, our young learners developed a profound appreciation for the environment and the vital role they play in sustaining it.

Parent Connect

Know your Teacher

On the 20th of June, we held the Know Your Teacher session, providing a valuable opportunity for parents and educators to convene and establish a strong foundation for the year ahead. These face-to-face interactions are essential in building a collaborative partnership between home and school, ensuring that every child feels supported and understood.

FROM THE COORDINATORS DESK

Dear Parents, Guardians, and our Precious Little Stars

A very warm, vibrant, and enthusiastic welcome to a brand-new academic year!
There is a unique kind of magic that fills the air of our school. Walking through our freshly decorated corridors, I am filled with immense joy seeing our classrooms come alive with bright eyes, eager smiles, and the delightful sound of children's laughter. Whether your child is stepping into a classroom for the very first time or returning to us as a confident older preschooler, we are absolutely thrilled to welcome each and every one of you into our close-knit school family. The start of a new school year is a blank canvas, waiting to be painted with beautiful memories, milestone achievements, and endless discoveries.

We wish all our darling students the very best for a phenomenal, joyful, and deeply enriching journey ahead!

-Gayatri Devi

World Music Day

Rhythmic Energy Music Workshop

To celebrate World Music Day, the school hosted an unforgettable workshop led by Rhythmic Energy. The energy was absolutely infectious as children plunged into the world of beats and melodies.

We were thrilled to welcome so many parents, who stepped into the rhythm alongside their kids.

Seeing families clap, dance, and create music together made the event truly magical. It was a day filled with laughter, vibrant sounds, and pure joy for our students!

Let's grow together

The "Side Door" to Conversation: Instead of asking "How was your day?"—which often yields a one-word "fine"—ask concrete questions like, "Who did you sit next to at lunch?" or "What was something funny that happened?".

Use Specific Praise: Instead of saying "good job," use specific phrases like, "I love how you didn't give up when that puzzle got hard!" This fosters self-esteem and internal motivation rather than a need for external approval.

The 7-7-7 Rule: Devote exactly 21 minutes daily to undivided connection: 7 minutes in the morning, 7 minutes after school/work, and 7 minutes before bed. The goal isn't to solve problems, but simply to be present and fill their emotional cup.
