TEACHER 'S SEN INCLUSIVITY SEMINAR

SEN Inclusivity means ensuring that students with Special Educational Needs (SEN) are fully included, supported, respected, and given equal opportunities to learn and participate in school life.

SEN Inclusivity – Every Learner Matters

Our school is committed to creating an inclusive and supportive environment where every child feels valued and empowered. Through personalised support, differentiated learning strategies, and collaborative efforts among teachers, parents, and support staff, we strive to ensure that every learner can participate, grow, and thrive. Together, we celebrate diversity, nurture strengths, and make inclusion a part of everyday learning.

Key areas:

 **Equal participation and opportunities**

 **Individualised learning support**

 **Differentiated teaching strategies**

 **Social-emotional support**

 **Collaboration with teachers and parents**

 **Celebrating every child's strengths and achievements**

Teacher's Inclusive Mindset

“Every child can learn. Our responsibility is to find the right way to help each child learn.”

An inclusive teacher does not teach every child in exactly the same way; they provide every child with the support and opportunities they need to succeed.

CPR WORKSHOP

Our school conducted an informative and hands-on CPR Workshop in collaboration with Regal Hospital. The workshop aimed to equip teachers and staff with essential knowledge and practical skills to respond confidently during medical emergencies.

The participants learned the basics of Cardiopulmonary Resuscitation (CPR), recognizing cardiac emergencies, performing chest compressions, and responding appropriately until professional medical help arrives. The practical demonstrations and guided practice made the session engaging and highly valuable.

The workshop was a meaningful step towards creating a safer and more prepared school community, empowering our staff with life-saving skills that can make a crucial difference in an emergency.

MESSAGE FROM A TEACHER

A Warm Welcome to Another Wonderful Month in Our LKG Classroom! 🌈

We are happy to have our little learners with us as they continue their joyful learning journey. It has been wonderful to see them settle into their classroom routines with confidence and enthusiasm.

This month, children enjoyed stories, rhymes, action songs, art and craft, sensory play, and fun hands-on activities. They explored letters and phonics, numbers, colours and shapes, EVS concepts, and classroom rules through playful learning.

Our little ones are becoming more confident, independent, and expressive each day. They are learning to follow instructions, share and care, make friends, and work together.

Thank you, dear parents, for your constant support and encouragement. Together, let us continue to nurture happy hearts, curious minds, and joyful learners.

We look forward to another month filled with learning, laughter, and beautiful memories!

With warm regards,
Teacher Anuradha K. Ragate
LKG Class Teacher

INDEPENDENCE DAY WEEK CELEBRATIONS

THE PRE-PRIMARY SECTION CELEBRATED INDEPENDENCE DAY WEEK WITH GREAT ENTHUSIASM AND PATRIOTIC SPIRIT THROUGH FUN AND MEANINGFUL ACTIVITIES.

Day 1 – National Flag Colouring
Children coloured the National Flag worksheet and learnt about the colours and the Ashoka Chakra.

Day 2 - Fancy Dress

Children dressed up as national leaders and freedom fighters. They confidently spoke about the personalities they represented with great pride and enthusiasm.

Day 3 - Tricolour Food

Children brought tricolour food and enjoyed eating together. Teachers explained the significance of the three colours of our National Flag.

Day 4 - National Symbols:

Children learnt about different National Symbols and spoke about their importance in representing our country.

DAY 5 – TRICOLOUR CRAFT:

CHILDREN MADE A CREATIVE TRICOLOUR CRAFT AND PROUDLY TOOK IT HOME AS A KEEPSAKE. THE ENTIRE WEEK WAS CELEBRATED LIKE A FESTIVAL, FILLED WITH LEARNING, CREATIVITY, FUN AND PATRIOTISM. THROUGH THESE ACTIVITIES, CHILDREN LEARNT ABOUT OUR NATION, ITS SYMBOLS AND THE VALUES OF UNITY, PRIDE AND RESPECT FOR OUR COUNTRY. 🇮🇳

INDEPENDENCE DAY CELEBRATIONS AT OUR SCHOOL

Our school celebrated India's Independence Day with great pride and enthusiasm. The campus was filled with patriotic spirit as students and teachers came together to commemorate the 79th Independence Day.

The celebration began with the hoisting of the National Flag, followed by the National Anthem.

Students presented a vibrant array of patriotic songs, dances, speeches, and cultural performances, highlighting the sacrifices of our freedom fighters and the values of unity, courage, and patriotism.

The programme inspired our students to understand their responsibilities as young citizens and to contribute positively towards the progress of our nation.

The celebration concluded with a renewed pledge to uphold the values of freedom, equality, unity, and respect for our country.

Jai Hind! 🇮🇳

NATIONAL SPORTS DAY

Our celebrated National Sports Day with great enthusiasm and energy. The day was observed to highlight the importance of sports, physical fitness, teamwork, discipline, and a healthy lifestyle among students.

The celebration included a variety of fun-filled sports activities, fitness exercises, and engaging games that encouraged students to participate actively and showcase their sporting spirit. Students displayed remarkable enthusiasm, coordination, and team spirit throughout the events. The teachers also motivated students to understand that sports are not only about winning but also about perseverance, sportsmanship, leadership, and building confidence. The celebration concluded with a renewed commitment to staying active and healthy. National Sports Day served as a wonderful reminder that “A healthy body nurtures a healthy mind.”

RAKSHABHANDHAN

Rakshabandhan was celebrated with great enthusiasm and joy

. The celebration beautifully highlighted the special bond of love, care, and protection shared between siblings. Students participated in a variety of engaging activities, including rakhi-making, decorating, and tying rakhis. The colourful rakhis and cheerful smiles filled the school with warmth and happiness. Through these activities, students learned about the cultural significance of Rakshabandhan and the importance of love, respect, and togetherness in relationships. The celebration created many joyful memories and reinforced the message that the bond between siblings is precious and should always be cherished. 🌸🎀

PARENT-TEACHER MEETING – PRE-PRIMARY

The Parent-Teacher Meeting for the Pre-Primary section was held on 29th August. It provided a valuable opportunity for parents to interact with the teachers and understand their child's learning journey and overall progress.

Parents were briefed about their children's academic development, classroom participation, strengths, and areas that need further support. They also had the opportunity to go through their children's books and observe the work completed in class. The teachers shared details about the syllabus covered so far, learning activities, and the skills being developed through various classroom experiences.

The meeting also helped parents understand the importance of regular practice, participation, and reinforcement at home. Parents actively interacted with the teachers and shared their observations and concerns, making the session a meaningful and constructive exchange.

The PTM strengthened the partnership between parents and teachers, working together to support the children's holistic development and make their learning experience joyful and enriching.

Positive Parenting Tips

Give Choices

Do you want to do homework now or after snack?

Keep Instructions Simple

"Put your toys away."

Create One-on-One Time

Special time together

Validate Their Feelings

"I see you're upset, that's okay."

Avoid Comparisons

Every child is unique.

Teach Problem-Solving

"What do you think we can do?"

Set Screen Time Limits

Balance screens & play.

Apologize When Wrong

"I'm sorry, I made a mistake."

Celebrate Small Wins

"Great job! You did it!"

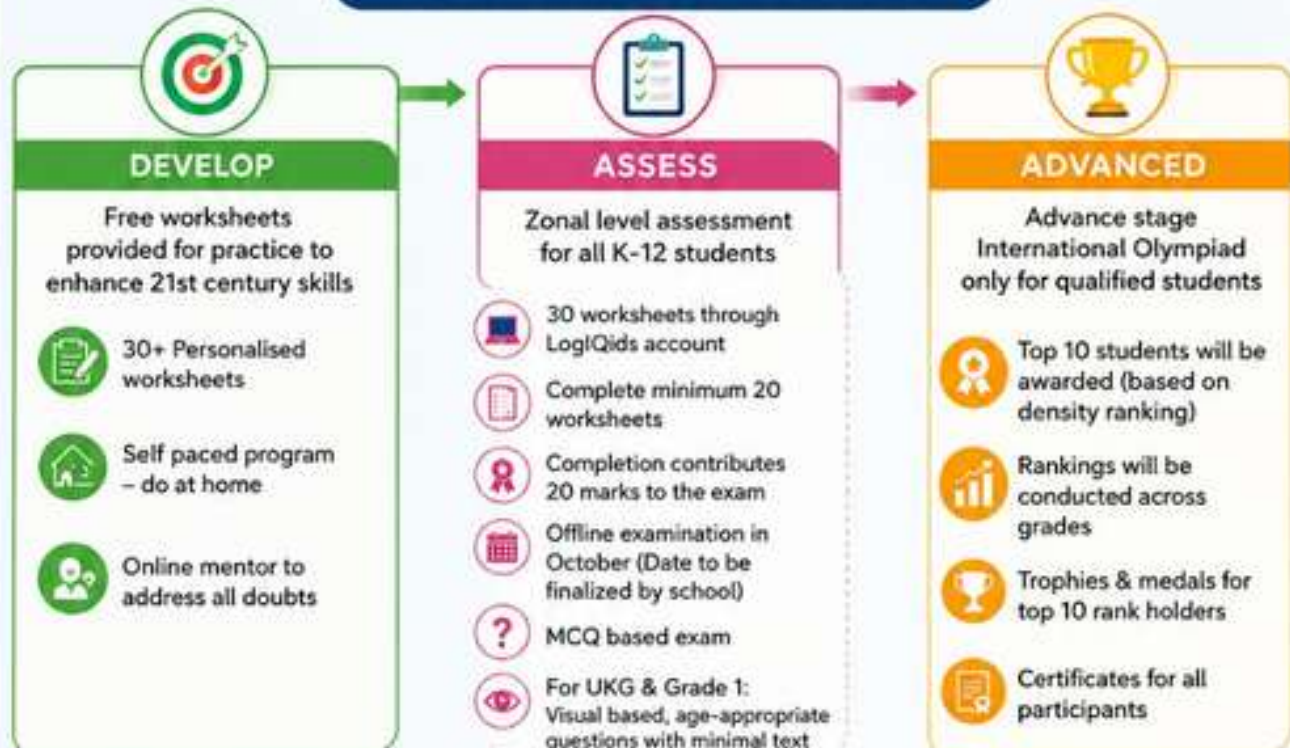

LOGICAL REASONING & COMPUTATIONAL THINKING PROGRAM

A dedicated program for students that provides **FREE worksheets** and **assessment**, followed by participation in an International Benchmarking Olympiad.

ELIGIBILITY: UKG TO GRADE 12

STUDENT REGISTRATION

Once the student list is finalized, individual student accounts will be created. The following details will be required:

- Grade & Section
- School Name
- Admission Number

LEVEL 1 COST: FREE

LEVEL 2

Top 10 students will be eligible to participate in Level 2

COST: ₹499

**TENTATIVE MONTH:
FEBRUARY / MARCH**

WHY LOGIQIDS?

Aligned with CBSE Computational Thinking (CT) curriculum

Develops logical reasoning and computational thinking skills through structured worksheets and assessments

THANK YOU

Sometimes, *words* fail to express
the depth of gratitude

within one's heart. So here's how I express it:

I just want you to know that it's people
like you who make all the *difference*

in the world. Take this card and put it

someplace special, so every time you

look at it, you will remember just

how special you are,

and just how much *you mean to me*

Bye

Thank you for everything.

*see
you*
