Back to school

A new academic year began with fresh aspirations, renewed enthusiasm, and eager young minds ready to embrace new opportunities. The campus once again echoed with laughter, learning, and excitement as students reunited with their friends and teachers. With new goals and endless possibilities ahead, we look forward to a year of discovery, growth, and success.

Looking Back

@tsusbengaluru

Van Mahotsav Week

Students enthusiastically participated in Climate Action Week through posters, songs, debates, creative art, and a campus cleanliness drive. The week inspired environmental awareness and encouraged sustainable habits, reminding everyone that every small action counts in protecting our planet—because while there may be a Plan B, there is no Planet B.

World Music Day

To celebrate World Music Day, the school hosted an unforgettable workshop led by Rhythmic Energy. The energy was absolutely infectious as children plunged into the world of beats and melodies.

We were thrilled to welcome so many parents, who stepped into the rhythm alongside their kids.

Seeing families clap, dance, and create music together made the event truly magical. It was a day filled with laughter, vibrant sounds, and pure joy for our students!

Drug Awareness Event

A Drug Awareness Programme was conducted at TSUSB School on 29 July 2026 for students of Grades 7 and 8. The session was led by a police officer from Singanayakanahalli Police Station, who educated students about the harmful effects of drug abuse and encouraged them to make responsible, healthy life choices.

International Yoga Day

TSUSB School celebrated International Yoga Day with great enthusiasm, emphasizing the importance of physical, mental, and emotional well-being. The session was conducted by a volunteer from the ISHA Foundation, who guided students and staff through a series of yoga asanas, breathing exercises, and meditation techniques and Miracles of Mind

Know Your Teacher

On the 20th of June, we held the Know Your Teacher session, providing a valuable opportunity for parents and educators to convene and establish a strong foundation for the year ahead. These face-to-face interactions are essential in building a collaborative partnership between home and school, ensuring that every child feels supported and understood.

Work Plan - July 2026

Note from the coordinator

Dear Parents,

As we settle into another month of this academic year, I wanted to take a moment to share how proud we are of the progress our students are making — in the classroom, in their friendships, and in the confidence they're building along the way.

The start of this year has brought energy, curiosity, and some great classroom discussions. As we move ahead, our focus will sharpen a bit more on academics — helping students stay engaged, build strong study habits, and take ownership of their learning, while still enjoying the process along the way.

Wishing all of us a productive and fulfilling month ahead, filled with learning, growth, and shared effort between home and school.

Warm regards,

Ms. Veena S
