PLANTATION DRIVE

"Plant a tree today, nurture a greener tomorrow."

Our Plantation Drive was a great success with the planting of coconut trees across the campus. This initiative promotes environmental sustainability and creates a greener, healthier space for future generations. Each sapling planted reflects our commitment to nurturing nature and protecting the environment.

Coordinator's Communiqué

Little Steps, Big Dreams

A warm welcome to our young learners of Grades 1 and 2 as they begin another exciting chapter of their academic journey. The start of the academic year has been filled with curiosity, enthusiasm, and joyful learning experiences.

The transition into a new grade is an important milestone for every child. Through the Bridge Course, interactive classroom activities, and engaging sessions, students were supported in adapting to their new routines, strengthening their foundational skills, and building confidence.

Our teachers have been working with great dedication to create a happy and nurturing learning environment where every child feels encouraged to participate, explore, and express themselves. Along with academics, we focus on developing creativity, values, independence, and positive learning habits in our young learners.

The continuous support and involvement of parents have played an important role in making this journey smooth and meaningful. Together, we aim to build a strong foundation that inspires children to learn, grow, and achieve their dreams.

Looking forward to a year filled with joyful learning, achievements, and memorable moments.

Warm Regards,
Coordinator

WELCOME PARENTS!
Today is your child's first day of school. We realise it's difficult to remain cool. Here is a little something for you. Have a cup of tea, some good it'll surely do. And if you are not brave enough and want to cry, this tissue will help to keep your eyes dry.
Thank you for trusting us with your little stars!

BACK TO SCHOOL

PHOTO SNAPSHOTS

We are delighted to welcome back all of our students to another exciting year of learning and growth! Our halls are buzzing with energy and joy. Our wonderful new mascot has been spreading cheer and making everyone smile. We are so proud of our students' enthusiasm and creativity, as seen in their beautiful sunflower crafts and the happy faces at the front gate. Let's make this year an unforgettable one, full of new friendships, fun projects, and incredible discoveries!

World Environment Day

Save the trees our ancestors planted and plant new ones as a gift to our coming generations.... This is the best way to have a greener environment..... Make World Environment Day more successful by planting more trees!!!

VANA MAHASTOV

PLANTATION DRIVE AWARENESS SESSION

As part of the Plantation Drive held on Monday, 15th June, B. Poornima Reddy Ma'am, Treasurer, SSS Trust, interacted with the students and spoke about the importance of planting trees and protecting nature. She highlighted the benefits of greenery, medicinal plants, and the role each individual can play in creating a sustainable environment.

Principal Ma'am, T. Nagaveni Reddy, also encouraged the students to actively participate in environmental conservation and develop a sense of responsibility towards nature. The session inspired students to care for plants and contribute to a greener campus.

PLANTATION DRIVE

AS PART OF THE PLANTATION DRIVE INITIATIVE, AJITESH BASANI SIR, MANAGING DIRECTOR, ACTIVELY PARTICIPATED IN THE DRIVE BY PLANTING SAPLINGS AROUND THE SCHOOL CAMPUS. HIS INVOLVEMENT ENCOURAGED STUDENTS TO UNDERSTAND THE IMPORTANCE OF TREES, GREENERY, AND ENVIRONMENTAL RESPONSIBILITY.

THE ACTIVITY PROMOTED AWARENESS AMONG STUDENTS ABOUT PROTECTING NATURE AND CREATING A SUSTAINABLE AND ECO-FRIENDLY CAMPUS.

Van Mahotsav Celebration (Grades 1 & 2)

Van Mahotsav Week was celebrated with great enthusiasm by the students of Grades 1 and 2. The celebration was planned to create awareness among young learners about the importance of trees, plants, and preserving nature.

Throughout the week, students participated in various engaging activities. They enjoyed Leaf Painting, where they explored different leaf shapes and created beautiful nature-inspired artwork. During the Nature Walk, students observed trees, plants, and their surroundings while developing curiosity and appreciation for the environment. The Collage Making Activity allowed students to express their creativity by creating colourful displays using pictures and elements related to nature.

Students also watched an informative movie on nature and conservation, which helped them understand the need to protect trees and natural resources.

The Van Mahotsav celebration was a wonderful learning experience for the students. It encouraged them to care for nature and become responsible citizens who contribute towards a greener and healthier planet.

VANAMAHOTSAV: A CELEBRATION OF NATURE AND LIFE

Music fills our lives with joy, creativity, and expression. As part of the World Music Day celebration, our students of Grade 1 & 2 participated in an engaging Music Workshop by Rhythmic Energy along with their parents..

The session provided students an opportunity to explore the world of music through rhythm, melodies, and fun-filled activities. It was a wonderful experience that encouraged creativity, confidence, and a love for music among our young learners.

🎶 A MEMORABLE CELEBRATION OF MUSIC, TOGETHERNESS, AND CREATIVITY! 🎶

KNOW YOUR TEACHER

An opportunity to connect, communicate, and collaborate

As part of the “Know Your Teacher” interaction, parents had the opportunity to meet and interact with their child’s teachers, understand the classroom environment, and build a positive relationship with the educators.
During the session, teachers shared insights about the initial weeks of the Bridge Course, including classroom observations, students’ learning experiences, participation, and areas of focus. The interaction helped parents gain a better understanding of their child’s transition and progress. It was a wonderful platform for open communication, collaboration, and strengthening the bond between home and school.

RECYCLING TODAY

FOR A GREENER TOMORROW

Be a recycler, Be a Planet Saver.

As part of our commitment towards environmental responsibility, a special assembly was conducted to create awareness about the importance of recycling and sustainable practices.

A representative from **ITC WOW (Wellbeing out of Waste)** interacted with our students and explained the significance of waste segregation, recycling, and how small actions can contribute towards protecting our planet.

In association with **ITC WOW (Wellbeing out of Waste)** and **Anubhuti Welfare Foundation**, our school is participating in the **Inter School Recycling Championship (ISRC).** This initiative encourages students to exercise environmental stewardship and cultivate sustainable practices among future citizenry.

Every small step counts!

COLLECT AND CONTRIBUTE DRY RECYCLABLES SUCH AS:

1. Old or used notebooks
2. Textbooks
3. Exam papers
4. Old newspapers
5. Magazines
6. Waste papers

The collected materials can be brought to school and will be exchanged for new notebooks and stationery.

TOGETHER, LET US REDUCE WASTE, REUSE RESOURCES AND PROTECT OUR EARTH.

Small action today, better earth tomorrow.

ITC WOW – Interschool Recycling Championship

Our students actively participated in the ITC WOW Interschool Recycling Championship by collecting and submitting waste paper for recycling. In recognition of their efforts, they received stationery kits and certificates. The initiative encouraged environmental awareness and inspired students to adopt sustainable practices.

INTERNATIONAL YOGA DAY

International Yoga Day Celebration

NURTURING HEALTHY MINDS AND BODIES

"Yoga is the journey of the self, through the self, to the self."

The Shri Ram Universal School celebrated the 12th International Day of Yoga on 21st June 2026 with a focus on mindfulness, wellness, and holistic development of our students.

To mark this special occasion, a dedicated yoga and mindfulness session was organized during school hours in collaboration with The ISHA Foundation. The session introduced students to the fundamentals of yoga, including simple yoga postures, neck movements, breathing exercises, and mindful practices.

Through the engaging "Miracle of Mind" session, students explored the importance of staying calm, improving concentration, and maintaining emotional well-being. The activities helped children understand how small mindful practices can create a positive impact on their daily lives.

The celebration encouraged our young learners to embrace yoga as a way of building strength, flexibility, focus, and inner harmony. The enthusiasm and participation of the students made the day a meaningful experience filled with positivity and awareness.

As a school, we continue to encourage our students to develop healthy habits and values that support their overall growth, helping them become confident, balanced, and mindful individuals.

★ Proud Moment! ★

Shaanvi has secured **2nd Place**
in the Ball Throw (Under-8 Category).

Congratulations, Shaanvi!

We are proud of your achievement and
wish you continued success.

KEEP AIMING HIGH!

The future is yours!

PARENTING CORNER

Growing Together, Learning Together

Parents play an important role in shaping a child's learning journey. Simple daily practices at home can build confidence, independence, and a love for learning.

Create Routines: Maintain a regular schedule for study, play, and rest. Provide a calm study space that encourages focus.

Encourage Learning: Make reading a daily habit and connect learning with real-life activities.

Support Emotional Growth: Appreciate effort, encourage problem-solving, and give children time to relax and express themselves.

Promote Wellbeing: Ensure healthy meals, enough sleep, physical activity, and balanced screen time.

Together, let us nurture happy, confident, and lifelong learners.

UPCOMING Events

Let's learn, celebrate & grow together!

JULY 2026

A MONTH FULL OF CELEBRATIONS, GRATITUDE & JOY!

1 JULY 2026

FOUNDERS DAY & NATIONAL DOCTORS DAY

Celebrating our school's journey and expressing gratitude to our healthcare heroes.

1 JULY 2026

WORLD CHOCOLATE DAY

A sweet celebration filled with fun and learning.

21 JULY 2026

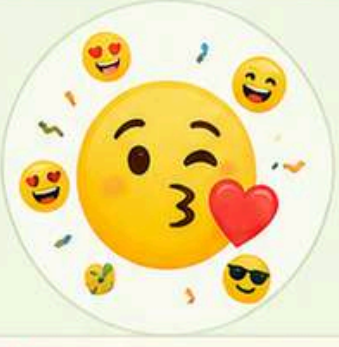

GURU PURNIMA

A day to honour and appreciate our teachers and mentors.

21 JULY 2026

EMOJI DAY

Exploring emotions through creativity and expressions.

Let's make July memorable together!

See you in the next EDITION!
