Teacher's Insight

Growing, Learning and Shining!

"Every little step forward is a big achievement in a child's learning journey!"

October has been another exciting month filled with joyful learning, new experiences, creativity, and growth for our little learners. It has been wonderful to watch our children become more confident, independent, and enthusiastic in their everyday learning.

Our little learners are showing great interest in classroom activities. They actively participate in discussions, enjoy storytelling, engage in hands-on activities, and eagerly explore new concepts. Their curiosity and excitement make every learning experience special.

We are happy to see improvements in their communication skills, listening habits, and teamwork. They are learning to share, take turns, follow instructions, and express their thoughts more confidently. Each child is making progress at their own pace, and every small achievement is worth celebrating.

A heartfelt thank you to all our wonderful parents for your continued love, cooperation, and encouragement. Your support at home strengthens what we teach in the classroom and motivates our little learners to do their best.

Together, let us continue to nurture their curiosity, celebrate their achievements, and encourage them to explore, discover, and shine.

Thank you for being an important part of our children's beautiful learning journey!

Ms. Sheela

Teacher's Insight

Learning Kannada Through Activities – Developing Language Skills

The students of Grade 1 were introduced to the basic concepts of the Kannada language. They learned the Kannada Varnamale, including vowels and consonants. They practised identifying letters, pronouncing them correctly and writing them. Simple Kannada rhymes were also taught to develop children's interest in the Kannada language through singing and recitation.

The students of Grade 2 learned Kannada Varnamale, Kagunitha and Aksharabhyasa from 1 to 10. They were introduced to the days of the week, names of colours, Kannada numbers and Vattaksharagalu (conjunct consonants). They practised identifying, reading and writing Kannada numbers. Simple Kannada rhymes were also taught, and students practised singing them.

All these topics were taught through fun activities, songs and interactive learning methods. These activities helped students develop their Kannada reading, writing, speaking and pronunciation skills.

Let's Learn Kannada, Let's Celebrate Kannada!

Ms. Mamatha

Gandhi Jayanthi Celebrations

A Legacy of Peace, A Lesson for Life.

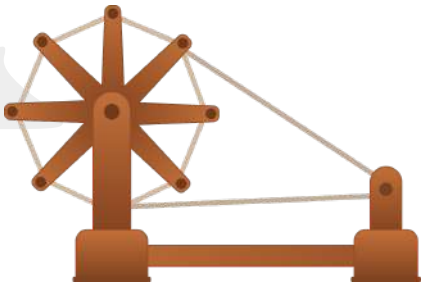

Gandhi Jayanthi was celebrated with enthusiasm and reverence by the students of Grades 1 and 2. The celebration was planned as a meaningful learning experience to help the young learners understand the life, values, and principles of Mahatma Gandhi.

The students presented a beautiful song dedicated to Mahatma Gandhi, filling the atmosphere with a sense of pride and respect. They also performed a short and engaging skit that portrayed important values such as truthfulness, kindness, simplicity, and non-violence. Through their performance, the students conveyed how these values can be practised in their everyday lives.

Adding to the excitement, a fun quiz was conducted for the students. The quiz encouraged them to recall interesting facts about Mahatma Gandhi and learn more about his contribution to India's freedom struggle. The enthusiastic participation of the students made the session both enjoyable and informative.

The celebration served as a wonderful reminder that Gandhi Ji's teachings continue to inspire young minds. It encouraged the students to embrace kindness, speak the truth, respect others, and choose peaceful ways of resolving differences.

It was a joyful and enriching celebration that combined learning, creativity, and values, leaving the students with meaningful lessons to carry forward.

LEARN TO MEDITATE

A Journey Towards Inner Peace

In the midst of their busy schedules and the many responsibilities they shoulder each day, teachers often forget to pause and care for themselves. With this thought in mind, a special session titled “Learn to Meditate” was organised for the teachers in collaboration with the Mindfulness Centre.

The session introduced teachers to the importance of mindfulness, meditation and inner well-being. Through simple meditation techniques, breathing exercises and moments of quiet reflection, teachers were encouraged to slow down, calm their minds and become more aware of the present moment

The session highlighted how regular meditation can help reduce stress, improve concentration, nurture emotional balance and develop a positive outlook. Teachers also explored how practising mindfulness can help them respond to everyday challenges with patience, clarity and compassion.

The experience offered a refreshing break from their daily routines and reminded everyone that taking care of oneself is equally important. A calm and mindful teacher can create a more peaceful, positive and nurturing learning environment for students.

A MOMENT OF STILLNESS, A BREATH OF PEACE, AND A STEP TOWARDS A HEALTHIER MIND!

Navratri

Embracing Traditions, Celebrating the Spirit of Navratri

Navratri is a vibrant festival celebrated with great devotion and enthusiasm across India. Dedicated to the nine forms of Goddess Durga, the festival symbolises the victory of good over evil and reminds us of the values of courage, strength, and righteousness. It is also an occasion to celebrate India's rich cultural heritage and pass on its beautiful traditions to the younger generation

At school, the spirit of Navratri came alive through a special Golu decoration activity. Students arrived dressed in colourful and elegant ethnic wear, adding a festive charm to the celebration. They brought a variety of traditional dolls and idols, which were carefully arranged to create a beautiful Golu display. Each doll and idol added meaning and beauty to the arrangement, reflecting the diversity of Indian customs, mythology, and traditions.

The activity encouraged students to learn about the significance of Golu, a traditional display of dolls arranged in steps during Navratri, particularly in South India. It also helped them appreciate the importance of devotion, creativity, and community participation in keeping cultural traditions alive. Through this hands-on experience, students developed a deeper connection with their heritage while sharing the joy of the festival with their classmates and teachers.

The celebration beautifully blended learning with tradition, creating an atmosphere of happiness, cultural appreciation, and togetherness. The colourful ethnic attire and the beautifully decorated Golu served as wonderful reminders of the importance of preserving our traditions and celebrating the richness of Indian culture.

TERM 1

PARENT TEACHER MEETING

The Term 1 Parent-Teacher Meeting provided an opportunity for parents and teachers to discuss each child's academic progress and overall development. Teachers shared feedback on students' learning achievements, classroom participation, strengths, and areas that require improvement. Parents also shared their observations and discussed ways to support their children's learning journey. The interaction strengthened the partnership between home and school, highlighting the importance of working together to nurture every child's confidence, abilities, and holistic development.

The school celebrated Halloween with great excitement and enthusiasm, creating a day filled with spooky surprises, cheerful performances, and joyful moments. Students of Grades 1 and 2 came dressed in creative Halloween costumes, bringing the spirit of the festival to life.

The celebration began with a warm welcome speech, followed by an interesting introduction to Halloween, where students shared insights about the significance of the celebration.

A costume parade was organised, giving students an opportunity to confidently walk the ramp and showcase their spooky, imaginative, and colourful Halloween outfits. Adding to the festive spirit, students presented lively musical performances, including One for You, One for Me, Happy Halloween, Halloween Rules, and the Go Away Song. Their enthusiastic participation and energetic performances filled the atmosphere with excitement.

The programme concluded with a vote of thanks. The excitement continued with a thrilling Scary Room experience and fun-filled games that brought smiles and laughter all around.

The celebration provided a wonderful opportunity for students to express their creativity, build confidence, and enjoy the spirit of togetherness. It was truly a spooktacular day filled with fun, laughter, and unforgettable memories!

VOICES OF APPRECIATION

Thank you, ma'am, for organizing such a wonderful Halloween celebration! She enjoyed dancing and playing the games so much. She had a great time! 😊

Parent of Tarini

Thank you for the wonderful Halloween celebration. The kids' preparation was lovely, and it was clear how much hard work the teachers had put in. The children looked confident and happy on stage, which is a credit to the team.

Parent of Inaaya

Double the scares, double the fun! Had a boo-tiful time with my little ghost boy, Vaibhav! 👻🖤 "As we both got dressed up together like Ghost Mom and Son 👻👻
The scary house 👽👀 was an absolute highlight, the atmosphere was incredible🎃 the posters and pictures were realistic 💀 which made it so thrilling & fun🕸️🕸️.We could truly see how much hard work, creativity, and effort the teachers and staff put into designing such realistic, spooky posters & decorations.
Thank you, TSUS for going above and beyond to make this day so memorable and enjoyable for the children and parents. I truly appreciate your dedication.

Parent of Vaibhav

VOICES OF APPRECIATION

The Halloween celebration was wonderful! The kids had an amazing time, and it was lovely to see Naksh and his friends enjoying the Halloween dance. The makeup was done beautifully, and the scary room was such a creative and exciting experience for the children. It was also great to see some parents enthusiastically dressed up for Halloween, which made the celebration even more special.
Kudos to the teachers and the entire school team for putting together such a fun and memorable event for the kids. Thank you for all the effort and making the day so enjoyable! 🎃👻

Parent of Naksh

It was a wonderful program. Really creative and wonderful.

Parent of Callah

It was really good. Very well planned and decoration was amazing

Parent of Manushi

thanks to all the teachers for putting all the effort.... we enjoyed it

Parent of Shanaya

WORK PLAN

ಅ Kannada

- Revision of Kannada numbers.(Akshrabhyasa)
- Words using ಜ, ವ, ಮ, ಬ, ನ.
- Words using ಪ, ಯ, ಉ, ಡ, ಟ, ಚ.
- Words using ಲ, ಈ, ಊ, ಕ.
- Words using ಎ, ಏ, ಇ, ಆ, ತ, ಳ.
- Two Kannada rhymes.

EVs

- Festivals and Celebrations
- Plants Around Us
- Animals Around Us
- Food We Eat

ABC English

- The Red Raincoat
- Sounds-'ar' and 'u'
